1. The first part of the document is a letter from the President of the United States to the Congress, dated January 1, 1861. It is a very important document, as it sets out the President's policy towards the Southern States, which had just seceded from the Union. The President states that he will not recognize the secession, and that he will use all the power of the Government to maintain the Union.

~~Acknowledgment of receipt is respectfully requested.~~

Respectfully submitted,
